CAMP NO. 20-30, DATED CAMP MYSORE, 30TH MAY 1909.

ORDER THEREON.—In consideration of the exceptional conditions of the year Kilaka (1908-09), the following orders in regard to remissions and suspensions of the Land Revenue for that year are issued for information and guidance of all concerned in lieu of those contained in the Government Proceedings above cited :—

1. *Assessment on lands classed as wet.*—On lands classed as wet under whatever source of irrigation, on which the wet crops have in the year Kilaka (1908-09) totally failed or the outturn is not more than 25 per cent of a normal crop (*i. e.*, not more than 4 annas out of a normal 16 annas), one-half of the assessment shall be remitted and the other half shall be collected.

2. For occupied waste within the tract the same rate of remission shall be given as for land on which the crops totally failed. But no remission is to be given on "jaanool waste," that is to say, on occupied land which is not cultivated regularly in a normal year and which it may be presumed would have been left uncultivated even if the season had been normal.

3. Where dry crops may have been raised with or without the aid of Sirkar water on land classed as wet, the same concession as in para 1 shall be granted, but the average rate of dry assessment prevailing in the village shall also be levied on the land on which dry crop has been raised. The plots need not be measured, but an entire survey number or a recognised share of a survey number shall be treated as a whole. If the dry crop entirely failed, this additional dry crop charge need not be imposed.

4. *Assessment on lands classed as dry.*—On lands classed as dry where the dry crops have to[illegible] their outturn was not more than 25 per cent of a normal [illegible]out of a normal 16 annas), one-half of the assess-

[illegible]ied for the [illegible]shall

10. *Whole inam villages.*—They are applicable also to lands in whole Inam villages under Government management.

11. *General remarks.*—Jamabandi officers should be careful to see that all remissions granted under these rules are well notified and entered in the Raiyats' Patta Books.

12. Remissions are to be granted for villages and homogeneous tracts taken as a whole. The concession (whether remission or suspension of revenue) should be regulated with regard to the outturn of the crop and not with reference to the circumstances of the raiyat owning the land.

13. In individual cases the Deputy Commissioner or Sub-Division Officer will be justified in refusing remission where the moiety to be collected is not punctually paid in due time.

14. The foregoing instructions will have force only in the following areas :—
